2013–2014VERIFICATION WORKSHEET Dependent Students

To be completed by dependent students who have been selected for verification by either the U.S. Department of Education or the Whittier College Financial Aid Office. This document and the required attachments will be used to verify information reported on the FAFSA. Corrections will be made to your FAFSA based on the information provided.

Student Name:	Date of Birth:		
Whittier College ID:	_ Social Security Number:		
Phone Number:	E-Mail:		

Your 2013–2014 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law requires that before awarding Federal Student Aid, we must ask you to confirm the information you and your parent(s) reported on your FAFSA. You and at least one parent must complete and sign this worksheet, attach any required documents and submit the form and other required documents to the Whittier College Financial Aid Office. Delays in submitting the required documentation will delay your offer of financial aid and/or the disbursement of funds. An extension from the federal government for the filing of tax returns does not imply an extension of established college deadlines nor does it prevent the accrual of late fees on any unpaid student account balances or other consequences as a result of missing documentation. The Financial Aid Office reserves the right to request additional information not otherwise specified on this form.
