Whittier College is a residential four-year liberal arts institution that prepares students from diverse backgrounds to excel in a complex global society. Inspired by a Quaker heritage, the Whittier education equips students to be active citizens and effective communicators who embrace diversity and act with integrity. Through challenging and interactive courses taught by accomplished professors, students learn to make connections across disciplines, understand cultural perspectives, and integrate learning with practical application.

With this mission in mind, the Whittier community is founded on the principles of respect, inclusion, integrity, concern for the individual, and social responsibility. It is a privilege to live and study as part of this community committed to the founding values of the Quakers and it is a responsibility to abide by the Student Code of Conduct. The effectiveness of the Student Code of Conduct depends on individual acceptance of personal responsibility and cooperation among all members of the campus community. In operation, this results in mutual respect for and commitment to the values and mission of the College.

As members of this community, Whittier College students and student organizations will

- act in a manner that reflects maturity and social responsibility with regards to health, wellness, and safety.
- act in a manner that reflects honesty and personal responsibility.
- act responsibly and respectfully towards the person and property of others.
- conduct themselves in accordance with all College, local, state, and federal laws, policies, and procedures while on or off campus.

By agreeing to be a member of the Whittier community, students and student organizations are expected to adhere to the behavioral and community standards outlined in this document and to all other policies and procedures of the College.

Residence hall room inspections and entry

Health and safety within the residential community are a top priority at Whittier College. As such, common spaces and individual resident rooms may be accessed by College officials in the performance of their duties. The College shall have the right of access to all rooms for the purpose of making routine or emergency repairs as necessary without prior notice to or consent from the student. A search of a student’s residence hall room by Campus Safety or College official may be conducted with the student’s permission or with authorization by the Dean of Students or designee. Whenever possible, searches of residence hall rooms and personal property shall be conducted in the presence of the student. However, the College reserves the right to inspect all rooms for the purpose of emergency, inventory, maintenance, health and safety checks, and policy enforcement.
For reasonable cause, as determined by an appropriate member of the Dean of Students’ Office or other officials as designated by the Dean of Students, a formal search of a residence hall room may be conducted if appropriate personnel believe one or more of the following conditions exist:

1. there is a suspected violation of College policy or illegal activity

3. there is possible stolen property in the room
4. there are possible illegal substances in the room

The College cannot prevent or prohibit the search of a students’ room or the College premises by law enforcement officers acting in the performance of their duty. In those cases, it is expected that the ordinary requirements for lawful search will be followed.

STUDENT CONDUCT PROCEDURES

Any member of the College community may file charges against a student for violations of the Student Code of Conduct. A charge should be prepared in writing and directed to the Student Conduct Administrator or designee. Any charge should be submitted as soon as possible after the event takes place, preferably within two weeks. The College reserves the right to institute misconduct procedures against an individual regardless of the amount of time that has passed and even if the charge is not in writing.

Upon receiving a report of alleged violation of the Student Code of Conduct, the Student Conduct Administrator or designee may initiate proceedings as outlined below.

All complaints against a student for sexual misconduct as described in the College’s Sexual Misconduct Policy will be dealt with in accordance with the procedures set forth in that policy. The procedures in that policy will also be followed when a student is charged with multiple violations during a single incident, at least one of which would fall within the definition of sexual misconduct, and when a student fails to comply with a sanction given as a result of a violation of the Sexual Misconduct Policy, or violates a no-contact order put in place as a result of any form of sexual misconduct.

Adjudication Options for Conduct Code Violations

The Student Conduct Administrator or designee will review the facts of the case to make a preliminary determination of whether there is sufficient information to proceed with a Student Code of Conduct proceeding. If it is determined that a disciplinary proceeding is necessary, the Student Conduct Administrator or designee has three options:

1. **Administrative Hearing.** In cases where the potential violation is of a less serious nature and the misconduct, including a consideration of the frequency, attitude of the student and circumstances, would not result in suspension or expulsion, the Student Conduct Administrator or designee will hold an administrative hearing with the student to discuss the incident, the student’s involvement in it, and any steps that must be taken or sanction imposed to resolve the matter. If the Student Conduct Administrator or designee determines that the student is not responsible for any Student Code of Conduct violation, no sanctions shall be given, the case will be dismissed and a record of the incident, a copy of which shall be provided to the student, shall remain on file. If the Student Conduct Administrator or designee determines that the student is responsible for a Student Code Conduct violation, that person will determine what sanctions to impose and a record of the incident shall remain on file. Normal appeal procedures shall be available to the respondent.
2. **Student Conduct Code Review Board.** In cases involving more serious misconduct, including a consideration of the frequency, attitude of the student and circumstances, or which misconduct could result in suspension or expulsion, the Student Conduct Administrator or designee will refer the case for determination by a Student Conduct Review Board. The following procedures shall be followed in connection with such a proceeding:

a. The facts and circumstances surrounding the alleged conduct shall be promptly investigated by person(s) designated by the Student Conduct Administrator who have been properly trained. The College will endeavor to complete its investigation within 20 days.

b. All charges, if any, shall be presented to the respondent in written form and delivered via e-mail and/or in person. This written notification of charges shall include a summary of the behavior that allegedly violates the Student Code of Conduct and shall be provided no less than five days and no more than 15 days prior to the date the Student Conduct Review Board meets to adjudicate the matter. This notification shall also state the date, time and location of the Student Conduct Review Board Meeting. Maximum time limits for scheduling of the Student Conduct Review Board Meeting may be extended at the discretion of the Student Conduct Administrator or designee, but only in instances with just cause. The respondent may request a Student Conduct Review Board Meeting earlier than five days if they do so in writing and the College will use its best efforts to accommodate such a request.

c. Not less than 72 hours prior to the Student Conduct Review Board Meeting, a copy of the investigator’s report shall be made available for the investigator(s) to review it with the respondent, but the respondent is not entitled to receive copy of the report, nor should any changes be made to the report at that time other unless the Investigator determines, at their sole discretion, that a change is needed. Rather, the respondent may address points raised in the report at the time of the Student Conduct Review Board Meeting.

d. The Student Conduct Review Board members shall be provided with a copy of the Investigator’s report before the Student Conduct Review Board Meeting.

e. Not less than 24 hours before the Student Conduct Review Board meets to adjudicate the matter, the respondent may submit any additional relevant documentation, statements or reports for review. The respondent may also bring witnesses to the Student Conduct Review Board Meeting so long as the Student Conduct Administrator is given at least 24 hours’ notice of the intent to bring witnesses, their identities and the purpose of the witness(es). The College may also bring witnesses as long as the respondent is given 24 hours’ notice of that intent and the identity of the witness(es). Individuals who wish to serve as a witness to share information about the respondent’s character without having specific firsthand knowledge of the incident/behavior in question are generally not permitted. Questions of whether potential information or witnesses will be allowed shall be at the sole discretion of the Student Conduct Administrator presiding over the Student Conduct Review Board Meeting.

f. Student Conduct Review Board Meetings shall normally be conducted in private, with only the respondent, and their adviser, if desired, being present with the board members. Should witnesses also be allowed to present information at the meeting, they will be permitted at the meeting only long enough to present the information relevant to the charges.

g. The Student Conduct Review Board Meeting will consist of a reading of the charges, the respondent’s acceptance or denial of responsibility for the charges, presentation of information or witnesses supporting the charges, presentation of information or witnesses by the respondent, and a closing statement by the respondent. Questions may be asked of the witnesses or respondent by the Student Conduct Review Board members during the Meeting.

h. The respondent has the right to be advised by an adviser of their choosing, at their own expense, but the adviser is not permitted to speak or participate directly in any Student Conduct Review Board Meeting. A student should select as an adviser a person whose schedule allows attendance at the scheduled date and time for the Student Conduct Review Board Meeting because delays will not normally be allowed due to the scheduling conflicts of an adviser. In cases involving more than one respondent, the Student Conduct Administrator handling the case may permit the
Student Conduct Review Board Meeting concerning each student to be conducted either separately or jointly.

i. If, during the course of the meeting, additional potential violations are discovered, the respondent will be notified of the new charges and will be granted additional time, if needed, to prepare a defense of the new charges. The respondent may waive the additional time and the meeting can proceed with the new charges taken under consideration by the Student Conduct Review Board. A record should be made in the meeting notes of additional charges and whether or not the student desires additional preparation time.

j. Upon considering all information submitted to the Student Conduct Review Board, in private deliberations, based on a preponderance of the evidence standard (more likely than not), the Student Conduct Review Board will determine whether the respondent is responsible for violation of the Student Code of Conduct. The board will then determine what, if any, sanctions should be issued. The decision of the Student Conduct Review Board is final, subject only to the appeal procedures contained in this Student Code of Conduct.

k. All procedural questions are subject to the final decision of the Student Conduct Administrator presiding over the Student Conduct Review Board Meeting. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in Student Code of Conduct proceedings.

l. If a respondent, with notice, does not participate in or attend their Student Conduct Review Board Meeting, the information in support of the charges shall be presented and considered in their absence.

m. The Student Conduct Administrator responsible for the Student Conduct Review Board Meeting may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the complainant, respondent, and/or other witnesses during the meeting by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, as determined in the sole judgment of the Student Conduct Administrator to be appropriate.

n. The decision and sanctions imposed by the Student Conduct Review Board may be appealed according to the procedures outlined below.
Sanctions

The student conduct process at Whittier College is grounded in reflective growth and restorative practices. The purpose of sanctioning is to provide educational opportunities that will result in positive behavior change for the betterment of self and community.

As a result of a responsible finding, a formal sanction must be issued. The options for formal sanctions are below:

1. **Warning**: A notice in writing to the student that the student or student organization is violating or has violated the Code of Conduct. This sanction is typically for low level violations, and a student/student organization will generally only receive one warning during their time at the College.

2. **Censure**: A written reprimand for violation of the Student Code of Conduct. Notice that additional violation of any institutional regulation may result in a referral to the Student Conduct Administrator for disciplinary action and is likely to result in severe sanctions.

3. **Probation**: Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student or student organization is found to violate the Student Code of Conduct during the probationary period.

4. **Deferred college suspension**: Though the sanction of College Suspension is assigned, the student is permitted to remain on campus and enrolled in courses for credit. However, any violation of College policy or the Student Code of Conduct will result in the initial sanction of College Suspension being enacted immediately. Students on Deferred College Suspension may not be able to hold any positions in student leadership, such as Student Senate, Clubs, Organizations, Societies or Resident Adviser. Additional restrictions on involvement in campus activities, such as participation in College athletic teams, may also be applied as part of the sanctioning process. Student organizations sanctioned with deferred suspension will be restricted in their activities in a manner determined by the hearing officer in conjunction with the LEAP office.

5. **College suspension**: Separation of the student from the College for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. Students suspended from the College are not eligible for a refund on tuition and/or other fees. This may also be an interim measure taken before there is any finding of responsibility. (see Interim Suspension below). Student organizations sanctioned with suspension will be restricted in their activities for a time period determined by the hearing officer in conjunction with the LEAP office.

6. **College expulsion**: Permanent separation of the student from the College. Students expelled from the College are not eligible for a refund on tuition and/or other fees. Student organizations sanctioned with expulsion (permanent derecognition) will be immediately suspended from participation in all organizational activities in a manner determined by the hearing officer in conjunction with the LEAP office.

In addition to the formal sanctions listed above, the hearing officer can assign a variety of other sanctions to create an accountability plan for the student. This list is not exhaustive but does cover a wide array of sanction possibilities. Note that more than one of the sanctions listed below may be imposed for any single violation.

**Reflective sanctions**: A variety of reflection essay assignments are available for use by the hearing officer. The purpose of these assignments is to encourage the student to reflect on the incident(s) involved and their potential impact on themselves, their peers, and the community.

**Restorative sanction**: These sanctions are intended to restore the relationship between the responsible party and the aggrieved entities (peers, staff, faculty, community members, etc.) Restorative sanctions may include letters of apology, repairing a torn down poster/item, or helping to clean a mess that one made.
**Action-based sanctions:** These sanctions all involve a specific action item and most involve direct attention from the responsible party. Action-based sanctions include, but are not limited to:

1. **Parent/guardian notification:** Notification of the violation to legal parent/guardian. This sanction is typically issued for alcohol and drug violations, as well as for incidents that may impact the student’s ability to remain on campus or as an enrolled student at Whittier College (i.e., when a student is placed on deferred college suspension or for other severe cases.)

2. **Loss of privileges:** Denial of specified privileges for a designated period of time

3. **Fines:** Previously established and published fines may be imposed.

4. **Restitution:** Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

5. **Confiscation of prohibited property:** Items whose presence is in violation of College policy will be confiscated and will become the property of the College. Prohibited items may be returned to the owner at the discretion of the Dean of Students and/or Campus Safety.

6. **Drug testing:** In response to violations of the Code relating to use or possession of illegal drugs, controlled substances, or drug paraphernalia, the sanctions may include drug testing for a defined period of time at the student’s expense.

7. **Limited access to campus:** The parameters of the restriction will be specified.

8. **No contact order:** An order that one student refrain from direct or indirect contact with another student(s) or member of the College community when on College Premises or at off-campus College-sponsored activities or events. This may also be an interim measure taken before there is any finding of responsibility.

9. **Residence hall relocation:** The student is reassigned to another residence hall room or building. Residence Life personnel will decide on the reassignment details. This may also be an interim measure taken before there is any finding of responsibility.

10. **Residence hall suspension:** Separation of the student from the residence halls for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified. Students removed from the residence halls will not be eligible for a refund or proration of housing and/or meal fees.

11. **Residence hall expulsion:** Permanent separation of the student from the residence halls. Students expelled from the residence halls will not be eligible for a refund or proration of housing and/or meal fees.

12. **Revocation of admission and/or degree:** Admission to or degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of the College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

13. **Withholding degree/transcript:** The College may withhold awarding a degree otherwise earned or a student’s academic transcript until the completion of all sanctions imposed, if any.

**Interim Suspension**

In certain circumstances, the Dean of Students, Student Conduct Administrator or a designee, may impose a College or residence hall suspension prior to a Student Conduct Review Board Meeting. Interim suspension may be imposed only:

1. to ensure the safety and well-being of members of the College community or preservation of College property;

2. to ensure the student’s own physical or emotional safety and well-being; or

3. if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the College.
During the interim suspension, a student shall be denied access to the residence halls and/or to the campus, including classes and/or all other College activities or privileges for which the student might otherwise be eligible, as the Dean of Students or the Student Conduct Administrator or designee may determine to be appropriate. The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Conduct Review Board Meeting, if required. A student who receives an interim suspension may request a meeting with the Dean of Students or designee to demonstrate why an interim suspension is not merited. Regardless of the outcome of this meeting, the College may still proceed with the scheduling of a Student Conduct Review Board Meeting.

Appeals

Decisions reached following an Administrative Hearing or Student Conduct Review Board Meeting are subject to a written request by the Respondent for an appeal to the Dean of Students or designee (“appeellate officer”) within five (5) business days of receiving the written decision from the Student Conduct Administrator. As this written request may be the only direct contact with the appellate officer, the request should include a detailed explanation of the bases for appeal and all supporting documents, and should be signed by the student. The appellate officer will hear all appeals relating to Student Code of Conduct violations handled under the procedures above.

When a student requests an appeal, whether a sanction remains in effect is at the discretion of the appellate officer with input from College officials as he/she deems necessary. An appeal is not intended to serve as a second review meeting and may be decided based solely on written materials.

The sole bases for an appeal are:

1. A procedural error, omission or irregularity that undermined the complainant’s or Respondent’s ability to present their allegations or defense, including demonstrated bias of involved hearing officer or Student Conduct Review Board member
2. New information sufficient to alter the decision or sanction, unknown or unavailable during the time of the original investigation and adjudication. A summary of this new evidence and its potential impact must be included
3. The sanctions imposed are substantially disproportionate to the severity of the violation

Conduct Records

Disciplinary sanctions shall not be made part of the respondent’s permanent academic record, but shall become part of the student’s disciplinary record. Disciplinary records are the education records of the respondent. In situations involving an alleged victim and the conduct is not subject to the College’s Sexual Misconduct Policy, the alleged victim is only entitled to know when the matter has been resolved and of any sanctions that directly affect the alleged victim, e.g., no contact order, residence hall relocation, etc.

Interpretation and Revision

Any question of interpretation or application of the Student Code of Conduct shall be referred to the Dean of Students for final determination.
